

Country Stores, Candies and a Winery

October 27, 2009 - Tuesday

Bundles of Knowledge, Bundles of Fun, Bundles of Gifts

Beautiful Bedford waits for you for this fun tour where **you gather goodies** throughout the day. You even have the opportunity to pick some “can’t live without” items. For example **Fisher’s Country Store** a Mennonite own store, carries bulk packaged foods, candies and spices, and you will receive a treat before departing. Tyrone has **Gardner’s Candy Factory** “Home of the Peanut Butter Meltaway”! (Oh dear heavens who doesn’t like peanut butter melting in their mouth?) Guess what the treat is? Wipe the peanut taste at **Oak Spring Winery** where “No Wine is Served Before its Time”. Learn about their award-winning wines and the wine making process. Tasting will be offered at the end of the tour and each guest receives a gift.

The Allegro Restaurant – the best food in the area is scheduled for lunch. “The Home of the Mallo Cup” ~ **Boyer Candy Company** will tantalize your taste buds. While no tour through the factory is offered, you can purchase their sweets in the discount store while enjoying *free samples*. Again you will receive a gift for your collection. Next you need some salt – where better to get that than on a good pretzel? **Benzel’s Pretzel Bakery** offers “Pennysticks” and other pretzels, snacks and novelty items in their outlet store. Complete the day with another treat, a small cone of ice cream from the first and original “frozen custard” stand near Duncansville ~ owned by the **Meadows** family. As you re-board the motorcoach for your return trip to Bedford, you receive a “**Slinky**”, manufactured in the neighboring community of Hollidaysburg.

Bring a big bag, a big appetite, a big sense of humor on the unique and fun experience! Don’t miss out!

Tour package includes guide service (round trip from Bedford), guide gratuity, all stops, included attractions, treats or gifts as noted on itinerary, lunch, meal tax and tip, and round trip motorcoach transportation
